

PURINA

FREE BALANCE 12:12

VITAMIN & MINERAL SUPPLEMENT

PURINA ANIMAL NUTRITION CENTER

Since 1926, Purina Animal Nutrition Center in Gray Summit, MO has been defining and delivering the future of equine nutrition with a unique philosophy: Combine the finest ingredients with exhaustive research and you'll create unsurpassed nutrition for every type of horse.

For horses who are not receiving a balanced concentrate feed, the highly palatable Purina® Free Balance® 12:12 Vitamin & Mineral Supplement provides the added vitamins and minerals needed to balance a pasture or hay-only diet. Purina® Free Balance® 12:12 is also available in a 40-pound block.

NET WT. 25 lb (11.33 kg)

NET WT. 40 lb (18.14 kg)

Features & Benefits:

VITAMIN & MINERAL FORTIFICATION

To support strong bones, immune system and reproductive function

WEATHER RESISTANT

Granular Technology Delivery System helps prevent product from absorbing water or blowing out of the feeder

VITAMIN STABILITY FOR BIOAVAILABILITY

Ensures Long-Lasting Bioavailability

ADDED ANTIOXIDANTS INCLUDING VITAMIN E

Helps Address the Damaging Effects of Free Radicals

NATURAL FLAVORING THAT HORSES LOVE

Feeding Directions:

40-lb Block: Feed free choice in covered feeders to provide approximately 2 ounces per head per day throughout the year.

Measured Feeding (25-lb bag): Top dress 2 oz (approximately 3 Tbsp) once daily per horse onto regular grain or concentrate.

Free Choice (25-lb bag): Set Purina® Free Balance® 12:12 Vitamin & Mineral Supplement in a large tub or mineral feeder under shelter or in a run-in shed. Research shows horses consume on average 2 oz per head per day. Horses will eat more than the average some days and less on other days. Some horses will over-consume this supplement when first given free choice. If excessive consumption (more than 4 oz/day) occurs for longer than 2 days, remove access for 2 days, then return to free choice. If over-consumption still occurs, follow directions for measured feeding.

Purina® Free Balance® 12:12 Vitamin & Mineral Supplement (enlarged to show detail)

PURINA®

FREE BALANCE 12:12

VITAMIN & MINERAL SUPPLEMENT (cont.)

Ingredients - 40-lb block:

Monocalcium Phosphate, Dicalcium Phosphate, Cane Molasses, Calcium Carbonate, Wheat Middlings, Salt, Sodium Selenite, Magnesium Oxide, Ferrous Sulfate, Colored with Iron Oxide, Zinc Oxide, Copper Sulfate, Vitamin E Supplement, Manganous Oxide, Vitamin A Supplement, Vitamin D₃ Supplement, Natural Flavor, Artificial Flavors, Ethylenediamine Dihydroiodide, Cobalt Carbonate

IMPORTANT CONSIDERATIONS:

Provide a minimum of 1 lb per 100 lbs body weight per day of hay or the equivalent in pasture.

CAUTION: Follow label directions: Feeding added selenium at levels in excess of 0.3 ppm in the total diet is prohibited. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed as it may cause illness or death. This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.
